Recommended sailing gear

to enjoy the sailing experience you need to be comfortable and prepared for the various weather conditions you may sail in. Generally speaking swimwear is not suitable as it offers little protection to your bare skin.

In cooler and/or windier conditions a wetsuit may be considered.

In warm and sunny conditions, protection from the sun; hat, sunglasses, long-sleeve shirt or 'rashie' are suggested.

Safety gear

Life jacket: A type 1 or 2 buoyancy vest is required to be worn by participants at all times while on the water.

Footwear: Footwear is required at all times (old sandals or wetsuit booties).

Gloves: Sailing gloves are optional.

Do you have a buoyancy vest? No Yes

CCSC Membership
